

Leadership Excellence Programmes – 2019

Executive Coaching and Mentorship

Theme: Leaders as coaches, not bosses

Programme Title: *Coaching for Growth: Why executive coaching is a CEO's greatest tool to get the most out of his team*

Date: 27th June 2019

Venue: Villa Rosa Kempinski Nairobi

Why this programme

Our accredited executive coaching team will share with participants, details on the knowledge and practice of executive coaching as a tool that enables business leaders to engage with their teams in a creative process that inspires them to maximize their personal and professional potential while working through real life business challenges. This will include the various aspects of executive coaching i.e. setting goals, the process of coaching and reviewing progress.

Key Programme Outcomes

- Obtain in-depth knowledge of the process and impacts of coaching
- Explore workplace coaching models for effective team development
- Experience coaching in action
- Distinguish between coaching approaches that work and those that don't
- Establish the roadmap for creating excellent workplace coaches

Who Should Attend?

- Chief Executive Officers, Managing Directors and other C-Suite Executives
- Executive Directors, Directors-general

Duration: 1 day
