

Leadership Excellence Programmes – 2019

Strategy Development and Execution

Theme: From great strategies to excellent execution

Programme Title: *Creating Organisational Strategies that work: A deep look at strategy development and implementation*

Date: 25th September, 2019

Venue: Villa Rosa Kempinski Nairobi

Why this programme

Organisational strategies are as good as their implementation. Developing the best strategies requires a team-based approach in order to reflect the breadth and depth of the organisation's core mandate but it is in the implementation that strategies come alive and deliver on anticipated goals and objectives.

In this programme we take participants through the journey of strategy development and implementation as well as stakeholder engagement to enable them create and execute next-level strategies for their organisations.

Key Programme Outcomes

- Obtain a good understanding of the strategy development and execution process
- Distinguish between the roles of the Board and Management in strategy development and execution
- Explore the role of the Chief Executive Officer as chief strategist
- Ability to provide effective strategic leadership
- Define the link between stakeholder engagement and successful strategy implementation
- Experience Strategic planning in action
- Get a grasp of strategic planning in a VUCA world

Who should attend?

- Boards of Directors
