

Leadership Excellence Programmes – 2025

Transitional Leadership: Equip Yourself for Successful Transition to C-Suite

For many executives, stepping into bigger leadership roles poses greater challenges as they transition from their areas of competence to much broader responsibilities. There is need to enhance capacity to effectively navigate the new leadership space, develop strong teams and create collaborative networks.

Our Transitional Leadership programme gives you an opportunity to invest in your professional success as a newly-appointed leader.

Objectives

- Gain insights into your personal leadership effectiveness
- Ability to assess and improve on your team leadership skills
- Capacity to anticipate and resolve stakeholder issues
- Appreciation of the impact of your leadership style on others
- Obtain knowledge and skills for effective leadership
- Develop action plans for transitioning from technical to strategic

Who is this Programme for?

- Newly-appointed CEOs, C-suite executives and senior managers
- Middle-level managers working towards becoming top executives
- High-performing mid-career professionals with growth potential

Abridged Agenda

- Self-leadership
- Leading teams
- Emotional intelligence in leadership
- Leading strategy development and execution
- Best practices in stakeholder engagement
- Leading change and transformation
