Leaders as Story-Tellers: Elevate Your Communication for Impact and Influence

Storytelling, an ancient practice of passing down knowledge and wisdom, has become one of the most powerful leadership communication tools of our time. Storytelling enables leaders to effortlessly communicate in an authentic and persuasive way by using an organisation's stories to build bridges and gain trust. It is one of the most effective tools leaders can use to motivate teams, promote organizational values and recognize team success.

This programme aims at reaffirming the value and context of storytelling in leadership communication and empowering participants to hone and deploy their storytelling prowess for greater impact.
